Albany Betterment League Announces Slate, Public Meeting Tonight

Albany Betterment League, a nonpartisan group dedicated to selecting city officials who will enable Albany citizens to have pride and trust in their local government, has scheduled a public meeting at 8 p.m. tonight at Cornell School cafeteria, according to Virginia Moody, publicity chairman.

At a meeting last week, Carl MacWilliams of 829 Ramona and John Johnson of 1503 Posen were elected permanent co-chairmen. The group has endorsed and will support the following candidates for the city election April 10:

Joel W. Parker and Lewis Howell, four-year council terms; the Egenberger and Gillum Freels, two-year council terms; Lawrence Saler, city attorney; and Ralph Jensen, chief of police. Member of the ABL executive committee include Mrs. Rosemary Paine, Mrs. Gerry Klemm, Mrs. Moody, Mrs. Eleanor Miller, C.F. Graeber, Lee Keck, Mr. and Mrs. Leigh Palmer and Mr. and

Mrs. Bruce Stark.

"Those interested in seeing the City of Albany progress are urged to attend the meeting tonight," Mrs. Moody said. "They will be encouraged to meet and talk to the candidates, sign up for house parties, volunteer for such work as telephoning. We believe the coming city election offers a challenge for everyone who is interested in good government."

Public Reception Set for March 2

There will be a reception for the Honorable W. Byron Rufford Friday, March 2, at 8 p.m., at the home of Mr. and Mrs. Louis Bell Jr., 926 Santa Fe Avenue. Assemblyman Rufford is currently representing the 17th Assembly District, and will be on the ballot in June to represent his district too, as all of Albany is included in the new constituents he gained when the 1961 State Legislature split the 18th Assembly District between the 16th and 17th Districts.

Sponsored by the Northern Alameda County Democrats, this reception is one of the series planned to give residents an opportunity to meet the Assemblyman, and for Rufford to get acquainted with them. All Albany residents are cordially invited.

Lions Stage Speaking Contest Thursday at Cerro Square

Six high school students, three from Albany High and three from St. Mary's High, will be contestants at the 7 o'clock dinner meeting of the Albany Lions Club annual Student Speakers Contest on Thursday evening, March 1, at Cerro Square, El Cerrito. The names of the student contestants and those of the judges are not released until after the contest.

The student speakers will give 10-minute talks on the subject selected for the 25th annual Student Speakers Contest of the Lions Clubs of California and Nevada, "My Responsibility in a Changing World." The winner of this contest will represent the Albany club, early in March, in the inter-school zone contest, in which successful contestants from the run-offs of the Kensington, El Cerrito and Richmond and Albany Lions Clubs will vie with one another in forensic presentations of the same subject.

After this and other preliminary

run-offs, there will be four contestants in the finals for the Lions Clubs of California and Nevada. The winner of that contest will be given a \$1,500 scholarship to any accredited junior college, or college or university of his choice; the other three contestants will receive \$500 scholarships.

Several Thefts Reported

Several thefts and burglaries were reported this week by Albany Police Department.

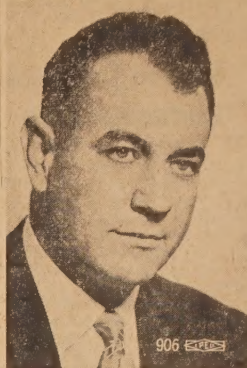

Harry's Flower Shop at 518 San Pablo was entered the night of February 21-22 by breaking a glass pane in the door. A filing cabinet, check book and check protector, valued at \$110, were taken.

Police Inspector Vernon Freeman said Monday that the checkbook and check protector have been recovered. Still missing is the five-foot steel filing cabinet. Manual Rose of 610 Madison reported February 21 that between 6:50 a.m. and 5:10 p.m., his home had been entered through a rear bedroom window and \$150 was taken.

J. L. Scarbrough, salesman at Howard's, reported the theft February 20 of a black transistor radio in brown leather case, valued at \$59. James Michael Maher of 723C Buchanan reported the theft of three bar spinner hub caps February 18. They were valued at \$9.

COUNCIL MAJORITY SEEKS OPINION ON FOLEY; CITY ATTORNEY TO STAY

CITY ATTORNEY FOLEY

City Attorney Robert Foley, central figure in a prolonged City Council discussion as to whether he is eligible to continue in office because he has moved to Contra Costa County, Monday night said the Council can go anywhere it pleases to get an opinion on the matter, but he plans to finish out the five weeks remaining in his term of office.

"Perhaps the biggest favor you could do would be to ask me to walk out this door," Foley told Council members, adding, "I wouldn't do it... it wouldn't be fair to Mrs. McLean (city clerk) or the citizens." Later in the discussion, he said, "Shoot your best shot any way you want to go, but I'm going to stay and complete my job in this city... there's an awful lot of work to be done by April 10."

The discussion Monday night, held over from the previous week, opened with the reading of a letter from Former Mayor Kathie Zahn (printed in the "letters" department of today's issue). It was ordered filed after reading and for a few moments, it seemed that was to be the end of the topic for the night. Mayor Carlevaro asked Administrative Officer Turner about a possible meeting with the school board, was informed it could not be held this week.

Councilman Hein returned to the Foley subject, asking that Foley be allowed to speak. "It's become an issue," Hein said. "I don't feel it should be dropped." He made a motion to get two points clarified by the attorney general: 1. Is it necessary for a city attorney to be a resident of Albany? 2. If after election he should move, is he still qualified to serve?

Councilman Boyich, who had earlier voted "no" on payment of claims and payroll because part of it was earmarked for the city attorney's office, seconded the motion, stressing that it was nothing personal, just a matter

of clarification. Foley said that in his opinion a candidate must be a resident of Albany for city attorney, but questioned that he had suddenly become disqualified because he had moved. He said many attorneys hired by the city before were not residents of Albany.

"I've had eight years serving the Council," Foley said. "It was good experience, good education for any attorney."

The city attorney suggested that if anyone feels he has a case, he can file it in court and Foley will represent himself. "I don't believe anyone can point a finger at the job I've done in the past eight years and say it has not been a good job," he said, adding that Mrs. Zahn and Councilman Boyich are entitled to their views and the Council is free to accept their opinion or Foley's, go to the attorney general, or take it to court.

Both Boyich and Hein said they have nothing but respect for Foley personally. Boyich said it is merely a matter of interpretation of point created by the ambiguity of the city charter.

When it came to voting on Hein's motion to seek an opinion from the attorney general, Councilman Parker was the only member voting "no." Councilman Howell, who had opposed such action in earlier meetings, was not present.

Council Hires Librarian; Other Topics

Albany City Council Monday night, acting on a recommendation from the library board, hired Mrs. Elizabeth Cooper Anger of 1437A Walnut Street, Berkeley, as head librarian at a salary of \$410 monthly, effective March 1. Councilman Boyich, who objected to a starting salary "lower than the lowest gardener," abstained from voting on her employment.

In other matters, the Council heard several communications requesting that Junior Traffic Patrol boys be relieved of their duties and the Council transfer their responsibilities to the Police Department. Letters were referred to Administrative Officer James B. Turner, who is making a study of the situation.

A resolution commending Mrs. Kathleen Watkinson, retiring librarian, was unanimously approved. The Council went on record favoring the recommendations of Turner regarding legislative matters brought to the attention of the Council in the League of California Cities' newsletter. These included: opposition to counties threatening to "grab" city liquor license revenue; requesting consideration of "in lieu" tax on telephone company gross receipts; opposition to cities and counties assuming cost of maintenance of railroad crossing protective devices; opposition to senate reapportionment, which had been favored by LCC and is favored by Councilman Boyich, who voted "no" on following Turner's recommendation to oppose it (Turner said he did not feel sufficient data had been presented on the matter), and favoring restoring to cities the power to govern gambling and resorting.

In a personnel meeting, which

RETIRED LIBRARIANS — This photo, taken at the farewell reception for Albany Librarian Kathleen Watkinson, shows her with Martha Woodworth of 914 Tulare, who retired as librarian about 10 years ago. Mrs. Watkinson at one time was in charge of the branch above City Hall while Mrs. Woodworth worked at the branch on Santa Fe. When the new library was built, both worked there until Mrs. Woodworth retired. About 60 persons attended the farewell party for Mrs. Watkinson Friday night at Security Savings and Loan. She received a leather case containing cash plus a scroll signed by city employees and friends. Mayor Joe Carlevaro made the presentation. Mrs. Watkinson is at right above. (Times Photo)

Councilman Howell Undergoes Surgery Tuesday

Councilman Lewis M. Howell, who is a candidate to succeed himself on the City Council, was admitted to Albany Hospital Sunday afternoon and underwent surgery Tuesday.

At Monday night's Council meeting, Mayor Joe Carlevaro urged the audience to send cards to the former mayor.

Albany Police Arrest Trio In Strong Arm Robbery

Donald Singleton of 16 Daniel, Vallejo, Sunday walked into the Albany Police Station and turned himself over to Officer James Simmons, who arrested him as the third person believed involved in a strong arm robbery Thursday night at Santa Fe and Solano Avenues and a similar case in Berkeley the same night.

Kenneth P. DeCarlo, 20, and Charleen Alexander, 18, both of 670 Ventura, Richmond, were captured Thursday night after an elderly woman was knocked down and her purse snatched as she waited with a friend at the bus stop in Albany.

Albany Police Officer Edward Zentner and Reserve Officer Julius Bachman were eastbound on Solano on routine patrol. As they

approached the Santa Fe-Solano intersection they saw a woman on the sidewalk, another woman standing over her screaming, and two persons running north on Santa Fe. Zentner captured the man, while Bachman took off on foot after the girl, who threw the purse against 841 Santa Fe, knocked down a gate in her fight, and was finally caught and handcuffed in the middle of Santa Fe. Sgt. Emil Zuzoni and Officer John Malone arrived to assist.

Victim of the robbery was Marie Magnan, 61, of 1338 Cornell in Berkeley. She and her companion, Lorene Dever of El Cerrito, had attended the movie at Oaks Theater and were waiting for the bus between 9 and 9:30 p.m. Mrs. Magnan was taken to Herrick Hospital by police ambulance. She suffered a concussion and injuries to her knee, side and back. Released from the hospital Saturday, she is recuperating at home.

DeCarlo was placed on probation on a manslaughter charge following the death of Linda Dennis, 17, as a result of a Richmond auto crash last June 14. She was in his car following a high school graduation dance, suffered head injuries when the car careened into a pole, and died four days later.

It is believed Singleton was the driver of the car for the pair

HEART EXPERIMENT FOR SCIENCE FAIR — Judy Williamson, who is in Maury Gould's physics class at Albany High School, injects a saline solution into the beating heart of a turtle, which had been killed hours earlier. She is determining the effects of varying salt solutions on heart tissue. (Times Photo)

Judy Williamson Preparing Heart Experiment For Science Fair Here

By DOROTHY LARIMER

Judy Williamson, 16, senior at Albany High School, has dispatched no less than 150 turtles to turtle heaven in the interest of science.

The experiment she will display during the fifth annual Science Fair March 20-22 at Marin auditorium will concern the effect of varying salt solutions on heart tissue. Twenty-five turtles have been used in this experiment.

When Judy told this reporter (who walks around worms and hates to swat flies) that the turtle shown in the accompanying picture was killed for picture purposes alone, your tender-hearted scribe darned-near burst into tears. Although it actually had died that morning, its legs continued to move and its brave little heart continued to beat (thanks to the solution Judy had pumped into it).

Judy hopes to become a heart surgeon some day and she ex-

plained she has long since lost her squeamishness, especially concerning turtles. She admits she hates to work on cats.

As long as the heart is in solution, it will continue to beat, she said. Once she kept a turtle heart beating for two weeks. Her mother, Mrs. S. R. Williamson of 635 Jackson, thought the experiment was interesting, but she didn't much approve of a dead turtle in her refrigerator that long!

Judy says her interest in things scientific goes way back, and she credits much of it to the fact that her mother is a nurse and the encouragement of her eighth grade science teacher, Roland Youard. She started working at the University of California Medical Center in San Francisco the summer between her eighth and ninth grades. This was made possible by Dr. Leslie Bennett of Albany, who is head of the physiology department there.

Currently, Judy works at UC

Small Attendance at Youth Conference; Plan Another Sunday, March 4

A small but enthusiastic group attended the Albany Youth Conference February 22 at the Albany Recreation Center.

A group of 23 high school students heard Bob Thompson, Rick Ostrov, Janice Elsner and Nancy Farber give reports on youth projects and ideas which they had received at the Governor's Conference in Long Beach.

The topics included Youth Service, City Beautification, Employ-

ment and Recreation. The conference was held in one general session instead of being divided into four separate sessions as planned. Each of the four delegates gave his report and then a discussion period was held. During this period, City Beautification and Youth Service were combined to give better coordination to their projects.

After the conference adjourned, the group decided to hold another conference to build greater attendance and more total participation. The date of this conference is March 4. All of the youth who reside in Albany are again urged and invited to attend. The conference will be from 2-4 p.m. In this conference, some of the projects brought up February 22 will be discussed.

Adult advisors are Mrs. B. F. Devine, James B. Turner, Emil J. Zugnoni; convenors, Ray L. Terrill and Elmer F. Coble. Harry Price, principal of Albany High School, also attended.

Amaranth's Observe Washington's Birthday Feb. 20

George Washington's Birthday was celebrated in true Colonial style by the officers of Richmond Court No. 119, Order of the Amaranth, at their appointive officers party February 20 at the San Pablo Masonic Temple.

Royal Matron Ethel Colageras and Royal Patron Paul Ross were presented with a parchment scroll and quill pen.

The following officers, garbed in Colonial costumes, read the "Declaration of Independence", especially written for the evening: Laura Ross, Verna Kinser, Carl Crawford, Laree Harrison, Marie Hensley, Violet Huck, Olga Lee, Florence Greene, Eleanor Shaw, Margarette Jordan, Doris Cook, Garland Kinser, Walter Beemer, Elkes Van Horn, Virginia Reed.

Medical Center eight to 12 hours on Saturdays and Sundays. There, she says, she can use five to seven turtles at a time in her experiments.

The girl lived in Virginia during her junior year, a move the family made because of her father's navy orders. There she got as far as the state finals in the Science Fair, winning honorable mention for her heart work.

When you attend the Albany City Schools' Science Fair, be sure to look for Judy and her exhibit. It's interesting — if you can get your mind off the turtle. And, of course, there is the larger picture to think about. Who knows what effect experiments such as this will have on the treatment of human heart conditions some day?

Cornell Junior Traffic Boys Honored

Cornell School Junior Traffic boys will be honored Wednesday, February 28, with a spaghetti dinner sponsored by the Cornell PTA. Mrs. Leland Westerlund, Safety Chairman, has announced.

This dinner is being given in an effort to express appreciation to the boys for the important work being done in assuring safe street crossing for all Cornell students.

Milton Gordon, Cornell School principal, will accompany the boys to the Albany High School swimming pool for an hour's swim in the afternoon. They will then return to Cornell School to watch movies while waiting for spaghetti to be served in the cafeteria.

Juvenile Officer Raymond Terrill is responsible for the coordination and excellent teamwork of the Junior Traffic patrol.

Ralph Jensen, Albany Chief of Police, and Officer Terrill will attend the dinner as well as the men teachers of the school who are Manfred Funk, William Thorpe, William Gubser and Milton Gordon.

Mrs. Westerlund will be assisted with the preparation and serving by Mesdames Michael Buncich, Peter Sandretto, Robert Mayer, Carl Scott and Jack Morrow.

ALUMNI OF BABSON INSTITUTE of Wellesley Hills, Massachusetts, living in the San Francisco area will hold a dinner meeting at 6:30 p.m. tonight at Gino's Restaurant, Front and Clay Streets, San Francisco. Dr. John S. Gibson, director of development at Babson, will be featured speaker.

Albany Man to Welcome Delegates to Republican Convention

Joe Egenberger, past president of the Albany Republican Assembly, will give the address of welcome to an expected 1,500 persons at the California Republican Assembly's 29th annual convention, which opens Friday at Hotel Claremont.

Some of the dignitaries who have accepted invitations to speak are former U.S. Vice President Richard Nixon, Assemblyman Joseph C. Sheil, Senator Thomas H. Kuchel, Lloyd Wright, past president of the National Bar Association, former U.S. Senator William F. Knowland, San Francisco Mayor George Christopher and Senator Jack McCarthy.

This marks the first time in more than 20 years the California Republican Assembly has convened in Berkeley. It alternates annually between northern and southern California, according to Charles H. Lavis of Berkeley, who is in charge of convention arrangements.

The main speeches will be given on Saturday. Tickets for the Saturday night banquet will be available at the CRA registration desk in the hotel lobby or may be purchased in advance from Mrs. Helen Reed of 237 Bywood Avenue, Oakland.

Russell Marks, president of the Berkeley Republican Assembly unit, and James Royal, head of the Albany unit, are co-hosts of the convention.

An exciting session of the convention promises to be the en-

dorsing of candidates meeting Sunday morning, Lavis said. The closing session Sunday will be the election of new officers and board members for the assembly.

Among other East Bay dignitaries expected to attend are Kent Purcell, members of the Alameda County Board of Supervisors; Don Mulford, Assemblyman for 18th District; Lewis F. Sherman, former Republican congressional candidate and chairman of the Alameda County Republican Central Committee; Leonard Cando, president of the Oakland Republican Assembly; Mayor Claude B. THANKS FOR WRITING!

(This is a copy of a letter read
at City Council meeting Febru-
ary 26.)

February 22, 1962
Albany City Council

Gentlemen:

On February 13, 1962, I attend-
ed the Albany City Council meet-
ing. On the agenda was a request
from Mayor Carlevaro for "an
Opinion from City Attorney Fo-
ley for clarification as to whether
or not a person seeking ELEC-
TIVE office in Albany MUST be
a 'RESIDENT' of the City of Al-
bany".

What had prompted this request
for an opinion was the fact, that
a very prominent Albany attor-
ney, who was born and raised
here, but resided elsewhere, in-
tended to run for the office of
City Attorney. When he took out
his nomination paper, he was in-
formed by the City Clerk, Mrs.
McLean "that a person was NOT
eligible for an ELECTIVE office
in Albany, unless he was a quali-
fied ELECTOR of the City of Al-
bany". Mrs. McLean advised him,
that City Attorney Foley had given
her on February 7, 1962, a
written opinion on this subject.

Article 2, Section I of the Con-
stitution of the State of Califor-
nia defines 'WHO' is an 'elector'
(registered voter).

"An elector (registered voter)
is a person, who has been a
RESIDENT of the State for at
least one year next preceding
the day of the election, of the
County in which he claims his
vote 90 days, and in the elec-
tion Precinct 54 days."

This above ruling of City At-
torney Foley was very interest-
ing to me, since HE, HIMSELF,
then in all probability would NOT
be eligible anymore for the Of-
fice as Albany City Attorney.

In September, 1961, Mr. Foley
and his family had MOVED
AWAY from Albany, Alameda
County, and now reside at
4018 Tilden Lane, Lafayette,
Contra Costa County.

The matter being on the Agen-
da was duly discussed, but since
Mr. Foley had chasen NOT TO
BE PRESENT, no action was
taken. Under "the Good of the
City" I suggested to the City
Council to find out at once, if
Foley NOW is LEGALLY our
City Attorney or not. In case he is
not, I cautioned them, they could
be liable for a taxpayer's suit, if
they continued to pay his and his
secretary's salary, and besides his
OPINIONS WOULD BE IN-
VALID.

That was all I said — How-
ever, to my amazement, Mr. Fo-
ley — now being caught by his
OWN ruling — in an effort to
BECLOUD the issue and to draw
attention AWAY FROM HIM,
wrote a letter dated February
19, 1962 to the City Council, and
in it attacks ME personally. In
this letter he refers to me as
". . . despite the fact that the ci-
zens of Albany SO WISELY
THREW HER OUT OF OF-
FICE"; and again in another sen-
tence ". . . even after the citizens
of Albany so overwhelmingly de-
cided that she was UNFIT to con-
tinue in office".

During my years on the City
Council on MANY occasions I
had to swallow the VULGAR and
RUDE remarks from Foley,
when he either addressed or re-
ferred to me. However, NOW,
since I am a PRIVATE CITIZEN
I do NOT have to tolerate that.
One more similar remark and
Mr. Foley will have to explain
IN COURT what he means by
saying, I was "UNFIT" to con-
tinue in office.

The whole issue, whether or
